Passion And Demise

The sweet draught of liqour Runs gently over my tongue A feast of wicked pleasure Is the delight of sweat and blood

The seed of a lost morality As you sow, so shall you reap A beast of prey I am Trapped in a human abattoir

Now we drift away Into a proud act of violation Flesh captures flesh As we deluge in self-accusation

The seed of...

To copulate means to umiliate And I tremble within your thighs I devastate emotional ground What I adore, I despise I rape you soul and suck you out 'Til I look into frightened eyes I'm a prisoner between your legs In a vicious game of passion and demise

The sweet draught of...

Together we rise, divided we fall Caressed by the innocent I praise the holy whore...

Passion and demise
