

Hey now all you sinner  
Put your lights on  
Put your lights on  
Hey now all you lovers  
Put your lights on  
Put your lights on

Hey now all you killers  
Put your lights on  
Put your lights on  
Hey now all you children  
Leave your lights on  
Leave your lights on

Because there's a monster living under my bed  
Whispering in my ear  
There's an angel with a hand on my head  
She says I've got  
Nothing to fear

There's a darkness deep in my soul  
I still got a purpose to serve  
So let your lights shine  
Into my home  
God don't let me lose my nerve

Hey now, hey now  
Hey now, hey now  
Wo-oh hey now, hey now  
Hey now, hey now

Hey now all you sinners  
Put your lights on  
Put your lights on  
Hey now, all you children  
Leave your lights on you better leave your lights on

Because there's a monster living under my bed  
Whispering in my ear  
There's an angel with a hand on my head  
She says I've got  
Nothing to fear

She says, whooo-ahha hey la la  
You shine like stars  
Whoo-aohaha hey la la  
You shine like stars  
And fade away
