

# Black Jesus

Everlast

They call me white devil, black Jesus,  
Heaven closes, hell freezes,  
Ego's trippin', scripts keep flippin'  
Bloods keep bloodin', crips keep cripin'

Time keeps slippin' and I keep fallin'  
I can't see but I hear them callin',  
Ballers ballin', players playin',  
Haters fightin', righteous praying

Dawn breaking, Manhattan keeps making,  
Brooklyn keeps takin' shook ones keep shakin',  
No time for fakin', know what I mean  
I ain't choppin' no pies, just risin' like cream

If you're diggin' the scene, if you feelin' the vibes,  
Throw your hands in the air, scream out you're alive,

Singin' na na nana na na na  
Singin' na na nana na na na  
Singin' na na nana na na na  
Singin' na na nana na na na

They call me, Black Jesus, white Moses,  
Heaven freezes, hell closes  
B.Boy poses and punk rock chicks,  
The kids are all right but I need my fix

If you're diggin' the mix, if you're feelin' the drugs  
If you're keepin' it real, if you're livin' like thugs,  
I spit kisses and hugs like .45 slugs  
Come back on the one and kiss my love gun

Gotta look that will kill, a voice that will carry,  
Half a dozen women I think I wanna marry,  
Trouble on my mind, I'm refusin' to lose  
Still I've gotta find someone to abuse

So won't you run spread the news, help say the word  
And jump the fuck back and act like you heard

They call me white devil, black Jesus,  
Heaven closes, hell freezes,  
Black Jesus, White Moses,  
Heaven freezes, Hell closes,

Singin' na na nana na na  
Singin' na na nana na na  
Singin' na na nana na na  
Singin' na na nana na na  
Singin'

Waah, wa wa wa waaah  
Shoobydoo waah, wa wa wa waaah

They call me white sinner, black martyr,  
Live wire, fire starter,

Jungle brother, red neck cracker,  
Freak of nature, new world slacker,

Sex junkie lookin' for a dealer  
You can play the leaper girl and I can play the healer  
Shit is only getting realer baby haven't you heard  
that the bird, bird, bird, yes the bird is the word

They go one for the trouble, two for the time,  
Three for my homies, and four for the dimes,  
Singin' lemons to the lime till the break of dawn  
Excuse me (every six minutes), Everlast you're on,

And they go on and on, like a rolling stone,  
Baby anywhere I lay my hat is my home

They call me white devil, black Jesus,  
Heaven closes, hell freezes,  
Black Jesus, white Moses,  
Heaven freezes, hell closes,

Singin' na na nana na na  
Singin' na na nana na na  
Singin' na na nana na na  
Singin' na na nana na na
