Hot to Death

We're gonna be breakin' it down (Yeah!) You gotta know the feel You gotta know the life You know what I'm sayin' (Hey!) I said what's goin' wrong You know it just ain't right Tell me who be loud When the spark ignite Now from the break daylight To the fall of the sun You gotta pick your fight It's time to choose your gun Front to back Right to left Keep it live all night Make it hot to death Get your heart pumpin' like some crystal meth Keep it live all night Make it hot to death Well...Hey...Tell me who's your God Does he make a lotta dough I'm gonna take you higher Or to the fire below Front to back Right to left Keep it live all night Make it hot to death Get your heart pumpin' like some crystal meth Keep it live all night Make it hot to death Guns to roses Abraham to Moses Daylight exposes what the night conceals Let's break these seals And get this thing started Some be out classed Some be out smarted Some be over bound by the blindin' rays I hear the whisper in the night Get trapped in the maze See back in the days When I was juvenile I dreamed of rockin' on the mic In a brand new style Now I'm shakin' these bones Tryin' to get these shoes Outbidded major crews I'm paid crazy dues Now I'm speakin' on you They just slept on me And rumors start spreadin' Just like a disease

Everlast

I'll have you down on your knees Below the spot ground zero Turn brown and burn down Rome just like Nero A hero ain't nothing but a Don't make me say it again Legend Don't make me say it

Front to back Right to left Keep it live all night Make it hot to death Get your heart pumpin' like some crystal meth Keep it live all night Make it hot to death

That's what I'm sayin' That's what I'm sayin'...
