

## The Letter

Everlast

Sometimes you win, sometimes you lose  
All the broken hearts and the unpaid dues  
What you did to me, what I did to you  
I ain't mad at you, boo  
So what we gonna do?  
I just seen you out with your mans, lookin' kinda happy  
Feelin' like somebody just slapped me  
Gut's in a knot, my temp's gettin' hot  
I want to make that man bleed and wet his speed knot  
He ain't got what we had, and it makes me kinda mad  
I hurt my one true love, just like my dad  
And it's kinda sad, 'cause now my shit's together  
No need for umbrellas, I can see the stormy weather  
I'm goin' outside into the rain  
Like Keith Sweat, 'cause I can't house this pain  
We was workin' for years, now I'm jerkin' these tears  
>From my lips to God's ears, girl, I did you wrong  
So I'm makin' this song, to let you know how I feel  
Before keepin' it real, may keep my heart concealed  
And now I'm on the side just paitently waitin'  
Watchin' on you and the time for updatin'  
I can't hide from the truth, I know the pudding's in the proof  
So I stand convicted, like all your friends predicted  
But I think you'd be surprised on how this ends, brothers  
We went from lovers to friends, we'll go from friends to lovers  
So if that man make you smile, I guess that I'll  
Just accept it, and respect it  
I'll hit you wit' this song and let you think about it  
Then I'll just leave you alone and be a man about it
