I'm Everlast born to be a caucassian but it makes no difference what persuas  
ion you are

As long as you know how to get up on the floor and start workin' a sweat  
To a musical measure that makes you move as soon as the needle drops into th  
e groove

So get up and dance to the gift I'm giving, forget about your troubles get i  
nto the rhythm

Talking 'bout the rhythm (all we need is rhythm)

You linger for the rap singer, when Donald D brings the party to the deal my  
presence is felt world wide

You don't dance to this it's suicide

Put your hands into the air on, the M.C. cop, the girlies are pipen' hot  
Natorious Lama is how I'm livin' don't step to me step to the rhythm

Listen to the tracks that rolls, watch the mic as it glows  
The lethal weapon got you trapped in this dance mode  
Ice-T's throwin' words at you like dodge ball y'all  
You gotta move get hit, if you get hit, you fall, no jokin', no boastin' and  
no bragging  
Grip the mic like a .44 magnum, dust you off if you suck 'cause I ain't  
You want me to write soft rhyme's, sorry, I write the rhythm
