

Take A Ride

Everlife

I don't blame Hollywood
I don't blame my neighborhood
Big is the bad, nobody has to be sad
Let's pick our excuse or keep the one we had
No one wants a tragedy
Only a remedy

All I wanted (was a second chance to live again)
All I needed (was to know that i can really see again)
Call me freak call me a poser
You know I like to ride with the Holy Ghost
And do you wanna take a ride, c'mon people step inside

Bittersweet, sin treat, tastes great, but what a fate
If I do what I do cause I don't care about you
All I can be (no one will ever see)
No one wants a tragedy only a remedy (only a remedy)

Oh, take a ride, oh-oh, take a ride, oh-oh
Step inside, oh-oh, second chance to live again
All I wanted All I wanted
All I needed All I needed
Oh-oh

Yeah...
oh yeah...
Yeah...
I wanna take
I wanna take a ride
