

## Take A Ride

Everlife

I don't blame Hollywood  
I don't blame my neighborhood  
Big is the bad, nobody has to be sad  
Let's pick our excuse or keep the one we had  
No one wants a tragedy  
Only a remedy

All I wanted (was a second chance to live again)  
All I needed (was to know that i can really see again)  
Call me freak call me a poser  
You know I like to ride with the Holy Ghost  
And do you wanna take a ride, c'mon people step inside

Bittersweet, sin treat, tastes great, but what a fate  
If I do what I do cause I don't care about you  
All I can be (no one will ever see)  
No one wants a tragedy only a remedy (only a remedy)

Oh, take a ride, oh-oh, take a ride, oh-oh  
Step inside, oh-oh, second chance to live again  
All I wanted All I wanted  
All I needed All I needed  
Oh-oh

Yeah...  
oh yeah...  
Yeah...  
I wanna take  
I wanna take a ride
