Goodnight Is Not The End

Evermore

Goodnight, goodnight my love Goodnight, goodnight my only one Goodnight, goodnight

Goodnight, goodnight my love Goodnight, goodnight my friend Even though the day is over Goodnight is not the end

When the moon has passed us by And when the sunlight has Opened up my eyes I will see you in the morning Goodnight, goodnight

Goodnight, goodnight my love Goodnight, goodnight my friend Even though the day is over Goodnight is not the end Goodnight is now the end
