

Join The Party

Evermore

Come on, join The Party.
Pick up the phone,
we know you're home.

Come on, join The Party.
we're watchng you,
we think you'll do.

Come on, we'd like to meet you,
we'll keep you warm,
just fill out this form.

Have you ever wanted to
lose yourself in the crowd?
To be one of the number,
feel the music pull you under,
hear the sound.

You're on your way,
come and join the campaign,
we want you.
There's other's out to get you,
don't worry we'll protect you.

That's the truth.

The Party welcomes you...
