

Fall Apart

Every Avenue

Electrified, we burn all night
Paralyzed by black and white
But who are you, and who am I
Electrified, we burn all night

I want you to fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
I don't deserve you
Fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
I don't deserve you
Fall apart

Terrified by waking eyes
The empty space you left behind
But who are you, and who I am
Terrified by waking eyes

I want you to fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
I don't deserve you
Fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
I don't deserve you
Fall apart

Oh oh oh, ohhh oh
Oh oh oh, ohhh oh

Electrified, we burn all night

I want you to fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
I don't deserve you
Fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
I don't deserve you

Electrified, we burn all night
