I am a very important person.

I've acquired a genetically altered handshake capable of speeds up to 30 mph.

Hair arranged by the most advanced landscape surveillance operators our

Company can afford.

I have a very expensive pen.

I use big words quite often in substitution for semantically equivalent words.

I attribute this success to my professional demeanor and my str ong stock $% \left(1\right) =\left(1\right) +\left(1\right) +$

Portfolio.

Though it may not appear so, I am quite comfortable in my surro undings.

I have everything, let me show you around.

Smile you fucker, it's not often you get this chance.

Love is just an exchange of corporate documents.

I've reviewed your rapport and I feel you're a prospect for mec hanical

Salvation.

This is a joint venture that will be mutually advantageous to b oth parties

Involved.

Technically this is just a business merger.

A consolidation of liquid assets.

We are respectively geared towards customer service.

There is a great possibility for corporate sponsorship if you'r e willing,

I am sure we could synchronize agendas.

Swift, and efficient satisfaction.

Through innovative planning,

We could form a strong strategic partnership capable of overcoming sensitive

And adverse predicaments which will be discussed at the next go als assessment

Meeting.

Promotion possibility and additional benefits are diagrammed in my

Preliminary objective outline.

Raises are granted based on performance.
