I Gotta Run

Everybody Else

I don't wanna go where the lovers go
Like we did when you were mine
And this crying all the time
It ain't no fun
When I gotta run

So I don't wanna hear you on the other line
Saying "Babe, I'll let you go"
'Cause the one thing that I know
Is that I'm done
And I gotta run

Cause he don't love you like I do
No way
And I can't chase you anymore
Today
What can i say? I gotta problem
All I wanna do is just run to you

I don't wanna get into a million fights
Like we did when we went out
Only stupid people shout
About something
That is burning out

So I don't wanna see you on the fire escape
On the hottest august night
'Cause these memories, sharp and bright
Stick in my lungs
When I gotta run

Cause he don't love you like I do
No way
And I can't chase you anymore
Today
What can i say? I gotta problem
All I wanna do is just run to you

So I'll have the girls you hate get in my car
And I'll make 'em think that I'm a superstar
And I'll drive to the place we used to
Sit by the sea
Where we screamed
You and me

Cause he don't love you like I do
No way
And I can't chase you anymore
Today
What can i say? I gotta problem
All I wanna do is just run to you
