

Breathing For Me

Everyday Sunday

The ship is sinking down
As the water surrounds me
I'm wondering just how I'll make it out
But I'm not the only one
Who's been right here
Holding onto all this fear
We all have our doubts

So everybody sing it

Whoa
I'm gonna let it all go
'Cause I know that You'll be
Everything I need
Whoa
It's finally easy to breathe
When You're breathing for me

On my way and knowing what I'm doing
I've come to regret the way I've been
And it makes me so ashamed
But You've been right here
Holding on for all these years
And You'd do it again

So everybody's singing

I'm pulled up and saved by a strong arm
So I know that my soul will never see harm
When you found me I was lost and hardly breathing
Now I'm strong in my heart and gonna sing it
