

Wake Up! Wake Up!

Everyday Sunday

Feels like I'm going through the motions in the dark
In a world that leaves me with an uninspired heart

All I know is I'm so tired
Living life I barely feel
Give me hope, give me fire
Give me something real

Cause I don't wanna keep sleepwalkin' through
Endless days I've had enough of
Going nowhere, God I want to
Wake up! Wake up! Wake up!

It's now or never come and pull me from this dream
Where everything is colorless and nothing's what it seems

I believe only You
Can make me come alive
Help me be so consumed
Open up my eyes

Half asleep
I'm so bored
Counting sheep

Behind the Song:

"Wake Up! Wake Up!" is about realizing we all have a crucial role to play in God's story, not just going through the motions, wasting our life in boredom." - Trey Pearson (Everyday Sunday)
