

Would You Leave

Everyday Sunday

Go, every time I go up, I eventually go down
But then I go back up and it seems like a round
I wish I could stay up all the day
But I know sometimes it won't go that way
What I'm asking you is what should I do? What should I do?

Would you leave me if, when I fall to the ground?
Would you still love me every time I am down?
Would you help me up and put my all into you?
Because I want to do, what you want me to do

I am down, I am on my knees, be with me
And lift me up so high, to the sky and let me see
I know I want to be with, I want to be
I know I want to be, what you want me to be
He will never leave you

Would you leave me if, when I fall to the ground?
Would you still love me every time I am down?
Would you help me up and put my all into you?
Because I want to do, what you want me to do

Would you leave me if, when I fall to the ground?
Would you still love me every time I am down?
Would you help me up and put my all into you?
Because I want to do, what you want me to

Would you leave me if, when I fall to the ground?
Would you still love me every time I am down?
Would you help me up and put my all into you?
I want to do
