

## Almost Blue

### Everything But the Girl

Almost blue, almost doing things we used to do  
There's a boy here and he's almost you  
Almost all the things that your eyes once promised  
I see in his too, now your eyes are red from crying

Almost blue, flirting with this disaster became me  
It named me as the fool who only aimed to be

Almost blue, it's almost touching, it will almost do  
There is a part of me that's always true, always  
Not all good things come to an end now it is only a chosen few  
I've seen such an unhappy couple

Almost me, almost you, almost blue
