Everything But the Girl

- 1. I called you from the hotel phone I haven't dialled this code before I'm sleeping later and waking later I'm eating less and thinking more And how am I without you? Am I more myself or less myself? I feel younger, louder Like I don't always connect Like I don't ever connect
- R: And do you like being single?
 Do you want me back?
 Do you want me back?
 And do I like being single?
 Am I coming back?
 Am I coming back?
- 2. I'll put my suitcase here for now
 I'll turn the TV to the bed
 But if no one calls and I don't speak all day
 Do I disappear?
 And look at me without you
 I'm quite proud of myself
 I feel reckless, clumsy
 Like I'm making a mistake
 A really big mistake
- R: And do you like...
- 3. And now I know
 Each time I go
 I don't really know
 What I'm thinking
 And now I know
 Each time I go
 I don't really know
 What I'm thinking of

Do you want me back? (5x)
