

The Future of the Future (Stay Gold)

Everything But the Girl

The future of the future will still contain the past
Time goes slow and time goes fast

I can feel you looking back at me
To see how I've done
What is it inside you
That makes you want to be my God

Well it's so bright tonight
It's so bright tonight
It's so bright tonight
Do you see those cars, those lights?

Oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby

Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh

The future of the future will still repeat today
But time goes fast and fades away

And you say, "Think of the old days
We could have them back again"
Well I thought about the old days
They'd go bad like they did then

Well it's so bright tonight
It's so bright tonight
It's so bright tonight
Do you see those cars, those lights?

Oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby

Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh, oh baby
Oh oh, oh baby, oh oh

The future of the future will still contain tonight
The passage of day, the passage of light

And I'm not going home again
Tomorrow will never come
And I'm not going home again
Tomorrow will never come

Well it's so bright tonight
It's so bright tonight
Do you see those cars, those lights?
Do you see those roads, these skies?

What ya gonna do about me now?
What ya gonna do about me now?
What ya gonna do about me now?
What ya gonna do about me now?

What ya gonna do about me now?
What ya gonna do about me now?
What ya gonna do about me now?
What ya gonna do about me now?

It's so bright tonight

Oh oh oh
Oh oh oh
Oh oh oh
...
