

## We Walk the Same Line

### Everything But the Girl

If you lose your faith, babe  
You can have mine  
And if you're lost I'm right behind  
'Cause we walk the same line

Now I don't have to tell you  
How slow the night can go  
I know you've watched for the light

And I bet you could tell me  
How slowly four follows three  
And you're most forlorn just before dawn

So if you lose your faith, babe  
You can have mine  
And if you're lost I'm right behind  
'Cause we walk the same line

When it's dark, baby  
There's a light I'll shine  
And if you're lost I'm right behind  
'Cause we walk the same line

And I don't need reminding  
How loud the phone can ring  
When you're waiting for news

And that big old moon  
Lights every corner of the room  
Your back aches from lying  
And your head aches from crying

So if you lose your faith, babe  
You can have mine  
And if you're lost I'm right behind  
'Cause we walk the same line

When it's dark, baby  
There's a light I'll shine  
And if you're lost I'm right behind  
'Cause we walk the same line

And if these troubles  
Should vanish like rain at midday  
Well, I've no doubt there'll be more

And we can't run and we can't cheat  
'Cause baby, when we meet, what we're afraid of  
We find out what we're made of

So if you lose your faith, babe  
You can have mine  
And if you're lost I'm right behind  
'Cause we walk the same line

When it's dark, baby  
There's a light I'll shine

And if you're lost I'm right behind  
'Cause we walk the same line

And if you're lost I'm right behind  
'Cause we walk the same line  
Walk the same line  
And if you're lost I'm right behind  
'Cause we walk the same line

Lost I'm right behind  
We walk the same line  
Walk the same line
