

# Hey Mr. Politician

## Evil Conduct

Hey, Mr Politician - I don't like you ... (4x)

Hey, Mr Politician, you and your friends  
You said you'd put this nation right where it belongs  
But, Mr Politician, take a look around you  
None of the promises you made have come true

[Chorus 4x:]

Hey, Mr Politician - I don't like you

Hey, Mr Politician, you and your friends  
You made a mess out of this country once again  
Hey, Mr Politician, don't you understand  
Don't cheat the Working Class  
We'll get you in the end

[Chorus 4x]

Hey, Mr Politician ... (4x)  
... Don't like you

[Chorus 4x]

Hey, Mr Politician, you and your friends  
You said you'd put this nation right where it belongs  
But, Mr Politician, take a look around you  
None of the promises you made have come true

[Chorus 4x]
