

Pearl Shot

Evil Nine

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Dont waste your time, girl
Dont miss your turn, girl
Give me a twirl, girl
I'll put it in you
Deep with rhythm of pop
It dont stop
I'm the king of hip hop
I can make your knees drop, girl

Give me your time, girl
Come blow my mind, girl
You can do it oh my gosh it's not a crime, girl
I'll be your man, girl
Your superman, girl
I'll put in you
Won't you know this aint shit girl

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Put it on me
You're doin sweet, girl
You was my ex, girl
Now you my next, girl
You cast a hex, girl
Bitin' in my neck, girl
You was like dracula
But i let loose a pearl

Shot to your neck, girl
Back back drop, girl
Bow down stop, girl
Don't stop get it, girl
It's your world, girl
You be a squirrel, girl
Go get a nut, girl

I'll be a good guy
Put it to you so fly
Superfly

Nearly six feet high
Still taller than the sky
The sky aint blue
And the sea aint too
It's just me baby me baby
Me for you
SOOOO

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Show me
Dont blow me
Act as if you dont
Know me
I'm not bonin' you too much
I'm not touching you enough
Wanna give you rough, tough, yea
Extra lovin stuff
Pumpin pumpin
Show you i'm a good guy

I got ya morphin
Kick out the chicken stuff
Done it like Jimmy Buffett
He used to sing girl
Now i sing for you yea
Doing my thing, girl
There you go again
Look who made me king, girl

Whatchya doin...hey

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind
Waste your time, waste your time, waste your time,
You aint never gonna mess with my mind

Lean on a crucifix
Deep in my mind put it deep six
I was let flying like a sheep
Though the deep shit
Crucifix, mista masicks pa ticks
And using me, mess around with it
Oh my gosh it's so confusingly

Blew my mind, they blew my mind, they blew my mind
They waste my time, they waste my time, they waste my time
Blew my mind, they blew my mind, they blew my mind
They waste my time, they waste my time, they waste my time

Blew my mind, they blew my mind, they blew my mind
They waste my time, they waste my time, they waste my time
Blew my mind, they blew my mind, they blew my mind
They waste my time, they waste my time, they waste my time
