

Annihilation Of Civilization

Evildead

Christian mind control, brainwashing innocent souls,
Teaching their own twisted fears,
Baptism is final, confirming denial, of the reality
We must deal with today,
No one on this Earth can save us from this hell,
We're only destroying ourselves,
Religion gets its way, so God has his say,
And the Holy propaganda is free

He WHO IS! WHO IS! and is coming
He shall put an end to your fear,
On Earth, THE LIVING! THE DYING!
Attain the destiny they've awaited for years
The death plague wreaks havoc on Earth,
A life put to death before birth,
Deserts grow where Cities once thrived,
No one on this Earth left alive
The Rain that falls from the sky, turning toxic,
The atmosphere is melting away,
Disposing of nuclear waste in the sea,
Children dying of starvation in the streets,
APOCALYPSE REVELATIONS
HUMAN RACE ENDANGERED KIND
He WHO IS! WHO WAS! not a savior
No one can control this disease
MESSIAH, BEHOLD! THE CHOSEN!
Welcome to the world of the dead!!!

SPECULATION! not needed the answer is here
ANNIHILATION! Countries put to death by their fears
CIVILIZED NATION! tis is what we create
TERMINATION! designed to Annihilate

We're killing ourselves, there's no need for help
From Satan, or from God, or the tomb,
The acid pollution, there is no solution
The greenhouse effect taking place
And wars will arise, the beast in disguise
Necronomicon prophecies apply,
An one civilized nation, now God's abomination
Annihilating the entire Human race

Hypocritical factions deny, as the truth stares them right in the eye
,
The powers we once fought to possess, destroy us in the final test
THE LORD WHO HAS GIVEN HAS NOW ALSO TAKEN AWAY!!!
