

# Willing To Wake

Evita

Ask yourself would it really be worth it?  
Is it fear you fear, or is it just the knife?  
Are you capable of pulling the trigger,  
Have you got it in you to end a life?

It takes a real man to walk away, just walk away, just walk away.

And maybe when you look back on this day,  
You can finally call yourself a decent man,  
Together we will discover a new tomorrow.

Do you need a little time to think for yourself?  
Don't try to disguise this is greater than you and me,  
Do you need a little time to think for yourself?  
Don't try to disguise this is greater than you and me.

Time to find out what you're all about,  
Is it fear you fear or is it just the knife?  
Any simple man can pull the trigger,  
Any simple man can end a life,  
It takes a real man to walk away.

And maybe when you look back on this day,  
You can finally call yourself a decent man,  
Together we will discover a new tomorrow

Do you need a little time to think for yourself?  
Don't try to disguise this is greater than you and me,  
Do you need a little time to think for yourself?  
Don't try to disguise this is greater than you and me.

Decent man.  
Are you willing to wake up,  
And finally call yourself a decent man?  
Are you willing to wake up,  
And finally call yourself a...

Do you need a little time to think for yourself?  
Don't try to disguise this is greater than you and me,  
Do you need a little time to think for yourself?  
Don't try to disguise this is greater than you and me.

You've got to ask yourself,  
Would it really be worth it?

I just need a little time to think for myself.
