## **Into Aphotic Devastation**

## Evoken

A soundless realm, an unforgiving place where time seems endles s. Its creation concealed; its myth an unparalleled wonder. Light cannot escape the sole purpose of ultimate obliteration. Bending, swirling; a senseless storm which has no rival. Shown as the bereavement of gods, the foundation of matter shal l crack. Worlds shall never go unscathed within its fabric of unrelentin g punishment.

Mankind's burden to bear within the age to bring hell upon heav en

Anthology of the coiled reality, damned to inherit the blessed. It is not the sick verse of immortality, but the conflict of be lief.
