

# Beautiful day

Ewa Farná

Take my hand show me how it feels to be  
Butterfly waken on the gentle breeze  
Show me the magic of falling star  
The sky high I know we can reach that far

Cuz it's you  
And this beautiful day  
I swear I need no more to find my way  
It's you  
It's a beautiful day  
A beautiful day

Na na na na na

Can't led high  
This feeling growing deep inside  
Look at me  
I'm not a girl I used to be  
See the world  
Is spinning at speed of light  
I'm feeling like I'm on the roller coaster ride

Cuz it's you  
And this beautiful day  
I swear I need no more to find my way  
It's you  
And a beautiful day

Now I can say it all  
Is feeling deep inside my eyes  
Words that used to be long will be becoming new

See the world  
Is spinning at speed of light  
I'm feeling like I'm on the roller coaster ride

Cuz it's you  
And this beautiful day  
I swear I need no more to fly away  
And it's you  
And this beautiful day

I'm calling your name  
A beautiful day  
I swear I need no more to fly away  
It's you  
And this beautiful day  
You know it's true  
You know it's true  
Na na na na na na  
It's beautiful day
