

Beautiful day

Ewa Farná

Take my hand show me how it feels to be
Butterfly waken on the gentle breeze
Show me the magic of falling star
The sky high I know we can reach that far

Cuz it's you
And this beautiful day
I swear I need no more to find my way
It's you
It's a beautiful day
A beautiful day

Na na na na na

Can't led high
This feeling growing deep inside
Look at me
I'm not a girl I used to be
See the world
Is spinning at speed of light
I'm feeling like I'm on the roller coaster ride

Cuz it's you
And this beautiful day
I swear I need no more to find my way
It's you
And a beautiful day

Now I can say it all
Is feeling deep inside my eyes
Words that used to be long will be becoming new

See the world
Is spinning at speed of light
I'm feeling like I'm on the roller coaster ride

Cuz it's you
And this beautiful day
I swear I need no more to fly away
And it's you
And this beautiful day

I'm calling your name
A beautiful day
I swear I need no more to fly away
It's you
And this beautiful day
You know it's true
You know it's true
Na na na na na na
It's beautiful day
