

Tu bi kontiniut...

Ewa Farná

I've got you baby
You always walkin' by my side
And I surrender you can look at me tonight

So if you tell my boy
I'll let you go, just let me know
But I don't care too much but I will love you 'till I die

I got you baby
You may touch me where you want
And I surrender I have to do it one more time

So if you tell my boy
I let you go, just let me know
But I don't care too much but I will love you 'till I die
