

Boy Next Door

Ewelina Lisowska

(ooooo)
Boy next door
(ooooo)
Boy next door

I need to attract you
Like a moth drawn to a flame
I can call you
But what can I say
If you don't know my name
You don't know my name
I since in work see you
But I fell in love with you
But you never responded
Leaving my heart to explode

I never had someone before
Boy next door
I never had someone before
Boy next door

I gotta tell you
That I love you
And I am ready
To be loved

I gotta tell you
That I know you
Watching you everyday
From my window

I don't wanna hide anymore
I'll call you but all I can say is a milion
You can like a midnight on the street

Maybe I'm some like a freak
But I can't pretend anymore
I am the girl
Who's watching you through the window

I never had someone before
Boy next door
I never had someone before
Boy next door

I gotta tell you
That I love you
And I am ready
To be loved

I gotta tell you
That I know you
Watching you everyday
Through my window

(ooooo)
Boy next door

(ooooo)
Boy next door

(I gotta kiss you)
Kiss me like a stranger
Bless me like an angel
Hold me like you are mine
I'm telling you that
I am very good spy

Kiss me like a stranger
Bless me like an angel
Hold me like you are mine
I'm telling you that
I am very good spy
