

# Cruor Nostri Abbas

Ex Deo

Battle cries scream into the night  
Forsaken ones move onto the other world  
Planned expansion of civilization  
Enemies await total impending doom  
Feel the spirit in our father's will  
The arrows of fire bleed the darkened skies  
It shatters grief onto the grounds  
Blood paints the stones of ages  
CRUOR NOSTRI ABBAS  
EGO spiritus meus contemno  
EGO dominor  
EGO addo lemma ut suum filiolus  
EGO ostendo haud misericordia  
EGO ostendo haud diligo  
Capio absentis suum posterus  
EGO dico ordo  
Telum crudus divum  
Agony chants the plea to surrender  
Debriefed ones intentions of triumph  
This is the land of all our fathers  
We shall reign forever  
CRUOR NOSTRI ABBAS
