

# Romulus

Ex Deo

Romulus, from the wolf's mouth I feed eternity  
Romulus, with my brother's blood I opened wide the gates of time

Standing at the hill cliff  
A flock of birds crown me  
I am fathered by the god of war, I am the king of Rome

Then his jealousy blooms, the envy to lead my people:  
So perish everyone who shall leap over my wall!

Romulus, from the wolf's mouth I feed eternity  
Romulus, with my brother's blood I opened wide the gates of time

Rise the Legions that \_\_\_\_\_ by the kingdom  
Within my beating heart, the sword and spear shall govern

Remus defied me, and I shall strike upon those who disobey me with death!

I am Romulus  
I am the king of Rome  
An empire shall rise!

Romulus, from the wolf's mouth I feed eternity  
(Romulus!)  
Romulus, with my brother's blood I opened wide the gates of time
