

# Stay Awake

## Example

If we don't  
If we don't  
If we don't  
If we don't  
If we don't  
If we don't  
If we don't  
If we don't  
If we don't  
If we don't

If we don't kill ourselves we'll be the leaders of a messed-up generation  
If we don't kid ourselves will they believe us if we tell them the reasons why  
Do we take it too far, take it too far?  
Did we chase the rabbit into wonderland?  
Lose a hundred grand,  
Will they understand  
It was all to stay awake for the longest

March on, always after us  
Lost troops, half the class of us  
You man ain't seen the last of us  
Stick around yeah like Elastoplast  
Not half mast,  
Raise the flag, kick the sand  
To let you know that we're coming  
And we're nasty men

Don't need sleeping beauty  
No, it's what you did to me  
Come midnight and daybreak  
Yes please go find me a name sake  
We got faith, but don't need bibles  
Take the michael,  
Hear my recital  
While I hold the title  
Quite vital  
We get high on the opposite of Nytol

It was all to stay awake for the longest time  
It was long, it was wrong  
But it felt so right  
See you at the finish line  
See you at the finish line  
If you got the heart to join us

If we don't kill ourselves we'll be the leaders of a messed-up generation  
If we don't kid ourselves will they believe us if we tell them the reasons why  
Do we take it too far, take it too far?  
Did we chase the rabbit into wonderland?  
Lose a hundred grand  
Will they understand  
It was all to stay awake for the longest

March on, always after us  
Lost troops, half the class of us

You might not see the last of us  
Stick around yeah like Elastoplast  
Not half mast,  
Raise the flag, kick the sand  
To let them know that we're coming  
And we're nasty men

Don't need sleeping beauty  
No, it's what you did to me  
Come midnight and daybreak  
Yes please go find me a name sake  
We got faith, but don't need bibles  
Take the Michael,  
Hear my recital  
While I hold the title  
Quite vital  
We get high on the opposite of Nytol

We just grow, if it's late  
Then we'll show, we don't wait  
We just grow, if you hate  
We don't show, we don't wait  
We just grow, if it's late  
Then we'll show, we don't wait  
We just grow

If we don't...

If we don't kill ourselves we'll be the leaders of a messed-up generation  
If we don't kid ourselves will they believe us if we tell them the reasons why  
Do we take it too far, take it too far?  
Did we chase the rabbit into wonderland?  
Lose a hundred grand,  
Will they understand  
It was all to stay awake for the longest
