## Quicksilver

Sometimes your mind makes twists and turns Dreams up something out of this world Relieves you of dull sanity Every once in a while you dream Or simply forget what is real And it enables you to flee

Hell or high water Say hi to mother Earth and father sky

Behold, I just dethroned the laws of gravity In this place where My machine is fuelled by quicksilver It's cold in here, radio is silent for me Quicksilver ghost Take me to the world I love the most

Those who are weightless don't need wings No cosmic gales or solar winds The world is dark but mind is free It's you who gets her off the ground Co-pilot is nowhere to be found Go find a place beyond belief
