

Break Down the Walls

Exciter

I live for the night, I'm a bringer of fright
Here to take your life, I'm a sinner that's right
Filling your heads with pain, making you writhe and bleed
I'll destroy this place, making you scream
Ah, ah, ah, ah, ah, ah... ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah... ah, ah, ah, ah, ah, ah
Break Down the Walls
Break Down the Walls
Break Down the Walls
Break Down the Walls
I torture your brain, I'm the bringer of pain
Tear and grind at your mind, watching you falling insane
In the depths of teh dark I can hear you screaming for your lif
e
Cannons are ready for fire you're in the sights

Ah, ah, ah, ah, ah, ah... ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah... ah, ah, ah, ah, ah, ah
Break Down the Walls
Break Down the Walls
Break Down the Walls
Break Down the Walls
