Brutal Warning

A cross is held with rage and fury Silence, betrayal by masters of war Escape the realms of marching rulers Be strong and brave; a time of reason

```
Brutal Warning - Brutal Warning
```

A storm of violence awaits to strike Merchants are calling to return the fight Remember each dagger is held in mourning But wait! Stand tall and face the call

Brutal Warning - Brutal Warning Brutal Warning - Brutal Warning Brutal Warning - Brutal Warning Brutal Warning - Brutal Warning

A cross is held with rage and fury Silence, betrayal by masters of war Escape the realms of marching rulers Be strong and brave; a time of reason

```
Brutal Warning - Brutal Warning
```

Exciter
