Exciter

Hangman  
Slayer of mutants has summoned you to fall  
Confined to the cage... Where the hideous  
Legends are born  
The sky is screaming  
Turning to blood  
The guilty are beaten and hung  
One by one  
Hangman  
Driven insane  
Hangman  
Evil remains  
Murderous torturer glaring deep into your  
Eyes  
The hangman is skillful at crafting your  
Gradual demise  
The menace creeping  
Evil is loose  
Driven by vengeance his captives are led  
To the noose  
Hangman  
Feasting on pain  
Hangman  
Torment's his gain  
Metal crescendo  
Verse one  
Hangman  
Driven insane  
Hangman  
Torture in vain  
No! oh!
