

Hangman

Exciter

Hangman
Slayer of mutants has summoned you to fall
Confined to the cage... Where the hideous
Legends are born
The sky is screaming
Turning to blood
The guilty are beaten and hung
One by one
Hangman
Driven insane
Hangman
Evil remains
Murderous torturer glaring deep into your
Eyes
The hangman is skillful at crafting your
Gradual demise
The menace creeping
Evil is loose
Diven by vengeance his captives are led
To the noose
Hangman
Feasting on pain
Hangman
Torment's his gain
Metal crescendo
Verse one
Hangman
Driven insane
Hangman
Torture in vain
No! oh!
