

In Mortal Fear

Exciter

Die
For sanctuary
Break the chains
And rule again
Die
For sanctuary
The antichrist
Will immortalize
In mortal fear x2
WAR!!x2
Flow
From wombs of demons
The ravens curse
At darkest hour
Ride
The blackened sky
Hunt the devil
In Hell's disguise
In mortal fear x2
WAR!!x2
The antichrist
Will immortalize
The savage beast
Will punish
Who lies
SOLO
Command
Eternal veins
Of mammoth power
That kills its king
Rise
From madman's craze
The last survives
The weak Demise
In mortal fear x2
WAR!!x2
The antichrist
Will immortalize
The savage beast
Will punish
Who lies
In mortal fear!
