Homicide by Exhorder

I pay.

I live to fight.

Homicide for a Lie.

I Feel the Anger.

I Feel the Pain,

Smashing in his Brain.

Feel the pressure,

Feel the Gun,

Shoot him 'cause he's only got

One.

Run Through Eternity,

You can think about in Hell.

Down on your Knees.

Piss on your Peace!

Now! Right away.

From Homicide.

Fuck all your Politics

Piss on your own.

I am the Law

Now hear Me.

Rags to riches you become the Corpse,

That is the Reward

Pray to your God while you still have some

Time.

Death is so near,

Leave your life.

Victims of violence

Are the ultimate

Victims

A death by the Killing.

Down on your Knees.

Piss on your Peace

Now! Right away.

From Homicide.....
