\*I Am The Cross\* by Exhorder

I am Heartless  
You will Fear Me day and night.  
I reak of putrid mentality and  
My aura's exuding might.  
There is no way to stop Me  
So take care what you try  
Just remember that I am Me  
And I stand not by your Side.  
My mind retains no Sympathy  
And it's banished Love too.  
My lowest Retaliation  
Keeps Me over You.  
My children bear no gladness.  
And soon they'll watch Die.  
I am the Cross,  
I am the Pain,  
That leaves your dying Eyes..

Cowardly you run from me.  
But can't you see?  
An entity of horror is what I Remain  
To inflict abominations is what I Gain

Recoil amongst your kin.  
They'll soon be crucified.  
Much the same, Manner as the man  
You worshipped, died.  
Waste not your time in prayer,  
Because none escapes my Wrath.  
The torn throats and infants  
Of the plagues are just a trickle  
In the tub of my bloodbath.  
Just who on Earth do you think you  
Are to challenge My Immortal Ways?  
My indifference is real so  
To My appeal keep on digging  
Your own Grave.  
Just when you thought it was safe  
To resist My Reign  
The pressure overrides.  
You simply can't comprehend  
My ability to nail You up at  
Any Time.  
Stick your hands outstretched  
Before the arms of wood  
Carved out for you.  
With the mallet's blow Upon  
the Spikes  
I hold you as if You were  
The King of The Jews.  
Can't you face the Groove?  
Two thirds of the Earth's Population  
Should not even exist.

A malignancy, an Ugly Sore  
Mankind's but a cyst.  
And there You hang,  
Upon the Cross.  
-The cross=Death if you haven't caught on yet.
