Brutally raped and hacked, Vagina torn ripped in half , Slash a nd rend,

mutilate, Garrote the bitch, decapitate, Face ripped off, disfi gurement,

Bodily dismemberment, Guts are spilled, violent death, Mangled cunt to

molest... Left embracing the carcass I discover my fomentment, $\mbox{\sc As I}$

unconsciously rub up against her gory habiliment, The muliebral texture of

the soused and silken garment, The one and only way to find sex ual

contentment... Suffering from mammary and vaginal envy, I faste n around my

chest the brassiere of the deceased, Excising the breasts with painstaking

precision, I pad my bra with a pair of decomposing falsies... H astily undress

the corpse, Peel off clothing, quite a chore, Clutching her bou sterrie,

Caressing bloody lingerie, Grasping for ensanguined garb, My er ection is

growing hard, Buttoning the imbrued dress, Feminine attire, a b loody mess...

As I adorn myself in my victims blood-

stained apparel, My perverse urges are

fulfilled with overwhelming delight, I ejaculate as I slip into her urine

soaked panties, My carnal desire that of a necro-

transvestite... Encrusted,

runny stockings, finery for a fiend... Donning ghastly vestment s,

necro-splattered closet queen...
