

Perverse Innard Infestation

Exhumed

Gurgling oblique aponeurosis is split, As I infect your festering hypogastric slit
Forced to play host to neurotrophic grime, I skillfully plague your insides with pathogenic slime...

Ruptured gastro-
duodenal flexure erupts, saponifying moist retroperineal fats
Sporozic fungi, virulent bacteria, and parasitic microorganisms
I sadistically inject...

Impregnated and bloated with my industrial pathogens, of lumbrosacral obliteration,
Your degenerative oesophageal, melts from the suppuration...

Ruptured gastro-
duodenal flexure erupts, saponifying moist retroperineal fats,
Sporozic fungi, virulent bacteria, and parasitic microorganisms
