

# I Could Get Used To You

Exile

Girl, you know it wouldn't take much  
Just one little bitty touch from you  
You could make me feel so fine  
If you're so inclined to

If you feel like dancing  
Let it show  
Tell me anything  
But please don't say no

I could get used to you  
Oh, darling, you're so fine  
I could grow accustomed to  
Your body layin' right next to mine

If you would walk on my way  
Girl, I'd give my heart away to you  
Dancing all through the night  
Holding each other tight  
Darling that's what I'd like to do with you babe

I could get used to you  
Oh, darling, you're so fine  
I could grow accustomed to  
Your body layin' right next to mine

I could get used to you  
Oh, darling, you're so fine  
I could grow accustomed to  
Your body layin' right next to mine

I could get used to you  
Oh, darling, you're so fine  
I could grow accustomed to  
Your body layin' right next to mine  
I could get used to you
