

Fully Alive

Exilia

Father, I fall but I rise
Mother, I'm poor but I'm wise
When I thought I was going to do die once more
While bleeding,
Father I found my reason to fly
I'm fully alive, alive,
I'm fully alive, alive
Life's in me

Mother, I fight and I'm proud
Father, I stand out from the crowd
when it was so cold and there was nothing more
while changing
Mother I found my reason to soar

I'm fully alive, alive,
I'm fully alive, alive
I'm fully alive, alive,
Rising, I find the light
My real light
Rising, I find the light
My real light
Shaping my life
I'm fully alive, alive,
I'm fully alive, alive
I'm fully alive, alive
Rising, I find the light
My real light
