

Girl On A Leash

Exilia

Don't worry, don't say sorry
Don't worry
I'll never be a girl on a leash
Don't worry about me
Don't worry
I'll never be a girl on a leash
I know the rules
I love the game
I know the lover and I feel made
Only want, only want
Is a doggy on a leash, doggy on a leash
Somebody who, somebody who
Is waiting there, is there for you
To look around, look around in your gifted cage
But
I never wait your
I hope you're hearing my last words
(chorus)
I remember you liked
To take me as a joke, take me as a child
Don't wanna be, don't wanna be another
Don't wanna be like your lovely mother
I never was, I never was
From your collection of perfect dolls
Dressed to kill
And waiting for just on brief look from you
You didn't, couldn't change me now
I hope you're hearing my last words
(chorus)
On a leash...
On a leash...
On a leash...
On a leash...
I don't care if it hurts me now
I don't care
Don't talk about it
I don't care if it hurts me now
I don't care
Don't talk about it
Nothing is left for me
I don't care if it hurts me now
I don't care
Don't talk about it
I don't care if it hurts me now
I know your answer
