

## Not Me

Exilia

Go just go if you feel you gotta go away from me  
Take away all those bad things you said to me  
Tell me that I'm not the one for you  
That you got another waiting for you too  
You made up your mind but you look at me and maybe hope  
That I'll cry for you, that I'll beg of you  
Don't go away but no, not me  
I won't play the game I won't call your name, not me  
Go and do all the things I never did alone with you  
Stay with the other and don't think about your love  
Don't aks yourself if I can sleep at night  
And if I need you or if I'm alright  
And what I'm doin' while you're hopin' maybe  
That I'll cry for you, that I'll beg of you  
Don't go away but no, not me  
I won't play the game I won't call your name, not me  
Tell me that I'm not the one for you  
That you got another waiting for you too  
Y ou made up your mind but you look at me and maybe hope  
That I'll cry for you, that I'll beg of you  
Don't go away but no, not me  
I won't play the game I won't call your name, not me
