

# How Will We Tire

Exit Ten

So much for last love  
Where's the promise of  
all the games we played we made up  
So much for the days  
The days that never came  
We all know what we saw  
We're not naive anymore

[Pre-chorus]

Wait up, wait up a minute for me I'll not be long now  
Now we see and we believe that you can set us free

[Chorus]

You are one in a million  
your heart beats for our freedom  
nobody's come, nobody's gonna beat you down  
You are one in a million  
Your heart beats for our freedom  
How will we tire, how will we tire  
When you're in charge

Stretched out, lying on my back now  
Looking up and found out  
I don't want to, I don't want to see the winter

[Pre-chorus]

[Chorus]

How will we tire (4x)  
How will we tire when you're in charge

You are one in a million  
Your heart beats for our freedom  
How will we tire, how will we tire  
When you're in charge

[Chorus]
