

## Remember The Day

Exit Ten

We've lost the love that we shared  
We can't speak we just stare  
I'm afraid to look you in the eyes

So have we claimed the last life tonight?  
We loved we lost we died you and I  
All around us an emptiness fills this room  
I'll remember the day something changed within you  
Soon we'll chant  
Our love ends

We've lost the love that we shared  
We can't speak we just stare  
And I'm afraid how much you changed tonight  
We've lost the love that we shared  
We can't speak we just stare  
I'm afraid to look you in the eyes

Don't look at me if it has to be this way  
Soon we'll change and the bitterness fades away  
We'll be wondering just what the hell happened here  
I'll be happy but just now I'm gripped with fear  
Soon we'll chant  
Our love ends  
Soon we'll chant  
Our love ends

We've lost the love that we shared  
We can't speak we just stare  
And I'm afraid how much you changed tonight  
We've lost the love that we shared  
We can't speak we just stare  
I'm afraid to look you in the eyes

I'm breathing but not alive

We've lost the love that we shared  
We can't speak we just stare  
And I'm afraid how much you changed tonight  
We've lost the love that we shared  
We can't speak we just stare  
I'm afraid to look you in the eyes

I'm breathing  
But I'm not alive  
It's just a matter of time  
It's just a matter of time
