

## Triumph By Fire

Exmortus

Journey far through blizzard realms  
Traversing grinding ice  
On mighty sail take flight forth  
To fight against frost blight  
Thus human might  
Shall be renewed and virtue  
Reign supreme  
Bear to all who which oppose the light  
The oath shall not be broken

Frost shatters, hope adheres  
With clashing steel upon great steel  
Withstands all icy blows  
Unless they pose a thrallldom  
Resistance shall carry on  
Triumph by fire  
Shall it be done?
