Children of a Worthless God

Brainwashed into madness, your children are killers without fear Manipulate and dominate, stealing their lives for your hate Twisted perverted minds, think as we do or you die Demagogue, fanatical tyrant a false prophet seething with lies

I you fear, seeing through your lies You I fear, raping of innocent minds

Follow us blindly or die like a dog Blood mixed with sand for this holy war Your savior's a killer, you die for Allah You are all children of a worthless god

Propagation of violence your one god a disease upon man Execution, crucifixion the answer for those not in your plan The penalty for contempt against your god is death and nothing else Ignorant infidels are subhuman and will all burn in hell

I you fear, seeing through your lies You I fear, raping of innocent minds

Follow us blindly or die like a dog Blood mixed with sand for this holy war Your savior's a killer, you die for Allah You are all children of a worthless god

Smite the perverts and the obstinate praising the death of the free United States of Islam that's what you would like it to be Violate the unbelievers praising crimes against man Human rights mean nothing Doctrine of death a scourge upon man

I you fear, seeing through your lies You I fear, raping of innocent minds

Follow us blindly or die like a dog Blood mixed with sand for this holy war Your savior's a killer, you die for Allah You are all children of a worthless god
